### **Select your share size:**

- **Singles / Couples Share: \$415 (\$18.80/week) SPECIAL \$400 UNTIL 9/15/19**

This is a small share ideal for a single person or a couple. Access to U-pick is included with U-pick amounts determined by your share size. **Singles / Couples shares may not be split (this means entire share must be picked up at one time and one person is responsible for payment)**

- **Regular Farm Share: \$640 (\$29.00/week) SPECIAL \$625 UNTIL 9/15/19**

This is our standard size share (similar to farm shares offered in the past) designed to feed a family of 2-4. Access to U-pick is included with U-pick amounts determined by your share size. **The Regular Farm Share may not be split (this means entire share must be picked up at one time and one person is responsible for payment)**

- **Farm Share Plus: \$725 (\$32.95/week) SPECIAL \$710 UNTIL 9/15/19**

This share is bigger than our regular Farm share and intended for a larger family or a family who loves to eat lots of veggies. This share is ideal for two families that want to split a share. If you split a Share Plus, there is no need to come together to pick up your farm share as it is always divisible by two. This is the only share that you can split between two families. Access to U-pick is included with U-pick amounts determined by your share size.

# MOUNTAIN VIEW FARM

A COMMUNITY SUPPORTED AGRICULTURE (CSA) FARM SERVING THE PIONEER VALLEY

I understand that this is a community supported agricultural venture and that, although the farmers are committed to the best of their abilities to provide high quality produce, there are risks in agriculture that need to be shared by the whole community. **Mountain View Farm grows on flood land** - land that is very productive and fertile but has the added risk of flooding during the growing season. I understand that payments are non- refundable. I have also read, understand and have shared this and the following information with my share partners:

- It is your responsibility to pick up your share at the farm each week throughout the 2020 growing season. If you miss a week, we ask that you not come twice the following week.
- Please respect the times that the Farm is closed – please no visitors.
- Please respect U-Pick Hours.
- Please go to the U-Pick station and check the board each time you U-Pick for updates on U-Pick crops, notices and to sign in.
- Please stay out of all fields that are not marked specifically for U-Picking with a stake.
- We will often close U-Pick when it rains or has rained – this is often a judgment call that we make depending on various factors – please check the board.
- Dogs are welcome at the farm, but all dogs must be leashed and please keep them out of fields. Please pick up after your dog.
- You may transfer your week’s Pick-up if you are away or on vacation. Please have your designated pick-up person check in with a shareroom attendant.
- U-Picking privileges are not transferable to people other than primary and secondary members that we have information on file for.
- Please do not leave children unattended when you are at the farm.
- Please don’t allow children to climb on or around tractors or other farm equipment- these often have sharp edges and are generally unsafe.
- Please, please drive slowly in the parking lot and always be on the lookout for children.
